Courier Driver - weekday mornings (Madison) **Diamond Factory Service**

compensation: \$17-\$18 per hour\ **employment type:** part-time
job title: Courier Driver - Part Time

We are looking for a responsible part time employee to drive a company provided vehicle (van or small pick up) to and from nearby markets. The driving occurs Monday-Friday, departing Madison around 5:00 AM based upon the route you are running. You are typically back in Madison by 10:00 AM. Starting and ending point is off the Beltline, about a mile from Zimbrick Buick/Honda. Ultimately the ideal person can drive 2-3 days per week.

We are an appliance repair shop with techs based through Southeast and South-central Wisconsin. Couriers deliver parts to technicians for the service calls being run that day. There's limited face to face interaction for anyone that might be concerned about Covid/Germs. We also provide masks, sanitizer and gloves for anyone that wants them.

The shifts are spread over several people. Typically people choose to drive 2-3 days per week, but we've had some running 1 day, and others running 3-4 days. Being dependable with a clean MVR is essential. Limited light lifting is also required (5-25 pounds). Being comfortable driving in Wisconsin in the winter with snow is also important. All routes are run on 4 lane highways and we make adjustments based upon weather conditions.

Routes are not run on weekday holidays or weekends. These positions have proven to be ideal for someone retired, or a stay at home parent looking to pick up a few hours per week with being home later in the morning.

Please reply by email leaving your name and any brief details about what you are looking for along with how I can contact you. You can expect to be contacted within one-two business days in most instances.

Be sure to provide your email or phone number when you reply to the posting. Generally I've found that when I reply to a Craigslist email, the person typically doesn't get the reply from me because it is in the junk bin. If I don't leave your phone or email, I have no way to reach out.

You can also visit our website at www.DiamondApplianceWisconsin.com to learn more about Diamond. You can apply under the About tab, and select Employment, or you can email to 2c2456f42f263e7fbd2bf45e036695df@job.craigslist.org.

Be sure to include your phone number and email address, and any other brief information you think is relevant.
